Servicing SRAM components often requires advanced bicycle knowledge along with the use of special tools and fluids used for service. We work closely with dealers to make sure they can answer your questions and service your SRAM components. We encourage you to contact your dealer before servicing any SRAM product.

Service | SRAM
SRAM Corporation was founded in 1987 in Chicago, Illinois. The name is supposedly a contraction of the names of its founders, Scott, Ray and Sam, where Ray is the middle name of Stan Day, the company President. It's all strangely reminiscent of Agnetha, Björn, Benny and Anni-Frid, although one can only speculate whether Stan Day looks as good in a body-hugging, but flared, silver lamé jump ...
