2) Which of these is the best buy? 3) Hamza needs to buy 2 litres of paint. At the shop he gets two choices: 500ml for £2.55 or 1 litre for £4.79. a) Work out which of these would be the best buy for Hamza. b)How much does he save if he buys the 'best buy' rather than the 'worst buy'? You must show all your working.

Value for Money

Learning mathematics is like learning to play an instrument. You cannot expect to become adept within a day or two. You have to practice hard in order to come up with the best possible tune. It's like learning a new language. The more you practice, the better you get at it. Mental Mathematics
