Many have noted the consonance between contemporary relational theory and classic social work values and practice principles such as person in environment and starting where the client is. However, there have been few efforts to explore relational theory's utility to the generalist social work framework. This paper takes the position that relational theory's intersubjective stance lends ...

**Beyond the Pale of Psychoanalysis: Relational Theory and ...**

Clinical Social Work: Beyond Generalist Practice with Individuals, Groups and Families, 1/e 2002 © Effective and ethical clinical practice is increasingly challenged by those who erroneously believe that medications alone, without some sort of behavioral or psychosocial treatment method, are sufficient.
