Family And Friends 1 2010

With Daniel Gilbert. The first episode looks at the importance of relationships and why they are central to our emotional well-being. What are the cognitive and neurological processes underpinning our everyday interactions, and can they help us to understand why some relationships flourish and others fail? We meet a young boy adopted from a Russian orphanage, whose story illustrates how a lack ...

Family involvement begins with a recommendation from the treatment team. This is easier if family clinicians are members of the treatment team and attend meetings regularly to reinforce the relevance of family psychoeducation. Whenever a family is engaged, the intervention should be listed on the client's treatment plan.
