Those long-time pilots I know haven't made a log book entry in years because after a point it really doesn't matter. A log book of any kind really becomes more of a personal journal or diary than anything else. I used to keep a complete written record of my workout routines, weight loss, training, match scores, etc.

However, the entries in the gunsmith record book will generally reflect the acquisition of firearms and the return of the firearm to the same person. Many gunsmiths, especially those working directly for a retailer, will use a specific gunsmith log book separate from the retail gun log book (A&D Record) in use for routine retail firearm dispositions.
