### General Practice at a Glance, ISBN-13: 978-0470655511 ...

General practice has seen huge changes in the last few years and is on course for many more. Areas once considered the exclusive province of secondary care have shifted to primary care. The consultation is at the heart of general practice: a one-to-one exchange (unless there are relatives in tow) where the GP can assess the problem, make a working diagnosis, and plan management with the patient.

### General Practice Cases at a Glance PDF
