COTA Australia's 'Self-management in Home Care' project was a ground-breaking initiative funded by the Australian Government from 2017 to its conclusion in September 2019. The COTA Australia website hosts numerous resources freely available to both providers and consumers to help build a greater understanding and practical knowledge about self-management in home care. This page has [...]

Self-management in Home Care - COTA Australia

Would you know how to describe self-management if someone asked you? The COTA Australia project team leading the Increasing Self-management in Home Care project had similar difficulties at the beginning of 2018. There was no nationally agreed definition of self-management in the context of aged care. Using a co-design process together with the academic research, we identified key areas which ...
