Long Term Care Coverage - Medicare.gov

Long-term care is a range of services and supports you may need to meet your personal care needs. Most long-term care is not medical care, but rather assistance with the basic personal tasks of everyday life, sometimes called Activities of Daily Living (ADLs), such as: Bathing; Dressing; Using the toilet; Transferring (to or from bed or chair)

What is Long-Term Care? - Long-Term Care Information

En español | By the time you reach 65, chances are about 50-50 that you'll require paid long-term care (LTC) someday. If you pay out of pocket, you'll spend \$140,000 on average. Yet you probably haven't planned for that financial risk. Only 7.2 million or so Americans have LTC insurance, which covers many of the costs of a nursing home, assisted living or in-home care — expenses that aren't covered by Medicare.
