When a ghost hovers around the earth plane, it is usually for a particular reason, they have some loose ends to tie up, they can appear quite vividly, or as a hazy apparition. Other times there is just an overwhelming sense that there is someone near, often there is a scent associated with this, possibly a perfume or cologne that they wore when they were in physical form.

witchcraft - Bohemian Magic

It was traditionally known as a place where witches would gather to perform dark rituals and practice black magic and necromancy, and stories of this abound. There were said to be so many witches who came to this place that the city earned its nickname "The City of Witches," and even in modern times this place is said to have its share of strangeness.
