Mahesh Tutorials Lakshya has adopted a flipped-classroom teaching methodology with the introduction of its Learning Management System. The LMS is a complete learning solution for the students, wherein they can study their syllabus, take tests, clear doubts and assess their preparation for the entire academic year.

Std. XII MHTCET 2016 Notes

Learning at Mahesh Tutorials was a two way communication process and helped me learn complex topics easily. We were told to do everything with applications. The teachers explained to us with the help of diagrams, presentations and illustrations helping us relate topics to the practical world. I believe this is what makes Mahesh Tutorials so great.
