The same applies when talking to women on Facebook: They are not going to feel attracted to you if you behave like a girl.

Women feel attraction to a guy's masculine behavior, thinking, actions and communication style, so if you can display that when you talk to a woman on Facebook, she will be much more interested in talking to you and seeing you in person.

Stunned, I found myself, talking back out loud, "Why didn't I what? What is it that I didn't do?" Unable to come up with anything, I realized that it was my habitual, reactive mind at work. In this case, it was an automatic critical voice trying to get me to feel bad about myself, for no apparent reason.
