### Zachary Abuza on Insurgency and Terrorism in the ...

The definition of terrorism is politically motivated violence or the threat of violence against non-combatants by sub-state actors ; the definition of insurgency, on the other hand, is a “struggle between a nonruling group and the ruling authorities in which the nonruling group uses political resources and violence” and is a “protracted political-military activity” that uses irregular military forces.

### The Difference Between Terrorists and Insurgents - World ...

Terrorism can also be used to supplement insurgency or conventional warfare. In such cases, it is employed to keep the enemy off balance and distracted, principally by conducting strikes against vulnerable targets at the enemy’s rear. The Afghan Taliban employ terrorism in this manner, as does the Islamic State in Iraq and the Levant.

### The Difference Between Terrorism and Insurgency | Stratfor

‘Terrorism’ and ‘insurgency’ are often applied as arbitrary terms to convey moral attitudes towards acts of political violence as much as describing the strategic nature of those acts. The definitional framework proposed in this paper suggests that they describe highly distinct organisational natures and objectives.
