### The Transparency Fix Secrets Leaks

" The Transparency Fix is an essential guide to the often heated debate over secrecy in American government. Mark Fenster explores the practical limits to keeping secrets in contemporary government and questions whether openness can really prevent abuses of power. A thoughtful, pragmatic analysis of an enduring problem."

### The transparency fix : secrets, leaks, and uncontrollable ...

The Transparency Fix: Secrets, Leaks, and Uncontrollable Government Information (Stanford University Press, 2017) dispels the myth that transparency of information will result in a perfect government. Dr. Mark Fenster discusses the motivations of transparency movements and justifications for state secrecy. Through the lens of communications theory, Fenster raises questions about the utility of disclosed information and how it may or may not be deemed valuable by the public.

### Mark Fenster, "The Transparency Fix: Secrets, Leaks, and ...

The Transparency Fix argues that we incorrectly assume that government information can be controlled. The same impulse that drives transparency movements—from activists who want stronger open government laws to the digerati who want open data—also drives secrecy advocates like Dick Cheney.
