For the new U.S. Congress that will be seated in January 2021, the murders of six Jesuit priests and two women in a tiny Central American country and the thirty-year pursuit of truth and justice should serve as a timely reminder that human rights should be a guiding principle in any foreign policy.

Justice Thirty Years in the Making | Commonweal Magazine

As thirty-six is the square of six, it therefore acted as a metaphor for "numerous strategies". Since Wáng did not refer to any thirty-six specific stratagems, the thirty-six proverbs and their connection to military strategies and tactics are likely to have been created after the fact, with only the collection's name being attributed to Wáng.
