Significant commentary together with supporting cases, problem and tutorial questions, flow charts and tables, all assist the student to further their understanding and assess their knowledge.

Tort Law Principles 2e - Thomson Reuters Australia

The second edition includes recent developments in tort law, the most significant of which is the incorporation into English law of the European Convention on Human Rights. This has not only affected the outcome in a number of cases, but also brought about changes in our vocabulary, interpretation of enactments, and treatment of precedent, which are rather less easily documented.
